# THE PASTOR'S MESSAGE

Dear Faith Family,

By the time you read this we will be almost to the end of January 2020! It seems like December went by in a blink! Just like that, time flies off the clock. Many years ago, one of our faithful, long time members asked me on his 87th birthday to remind everyone life gets by so fast. His testimony at 87 was the speed at which it trucked by. Speaking of trucking...we don't just die. We have a mandatory meeting to go to. A summary verse about that meeting is found in Hebrews 9:27 **“And just as it is appointed for man to die once, and after that comes judgment.”**

When we started Upward basketball practice a few weeks back, we used the illustration of taking a half-court shot. According to ESPN, the odds of hitting a half-court shot are roughly 1 in 100. Long shots, even the 3-point shot, are low-percentage shots. Some people work at it and develop some expertise at hitting 3 pointers – Stephen Curry, Klay Thompson...guys like that. That is great! The Warriors had perhaps three or four of the best 3-point shooters who have ever played, all at the same time! And they were a dynasty, so long as they had some big men in the middle and down low to keep teams honest. Take notice this year how little you hear about the Golden State Warriors. They're dynamic is predicated on taking care of fundamentals and mixing a whole lot of high percentage shots like dunks, layups, and 2-point jump shots. LONG SHOTS ARE FUN. Long shots are cool. But they are unreliable. Half-court shots are a 99% chance of a miss.

If you're taking a half-court shot when it comes to eternity, heaven, Jesus, death, and the after-life; that is not a good game strategy at all! Grab a copy of the HOLY BIBLE. Inside you'll discover that **Jesus came to save you from your SIN.** You must have come to faith in Christ's work on the cross taking the judgment coming your way. He stepped in front and took it. \*Then He transforms you from the inside out. That's the basics – the fundamentals of life. Hope you've handled this. Feel free to call, text, or PM one of the staff here at WCBC to talk more if you're unsure about where you stand.

We are here to help you develop those fundamentals – so when your time comes to take that journey into DEATH – you're not shooting from one side of the state of Arkansas to the other. It's impossible. It can't be done. Jesus says in John 14:6 – **I am the way, the truth and the life. No man comes to the Father but by Me.** Let Him do all the long shooting for you. He will never let you down.

Every blessing for 2020 and beyond! It's coming fast!!

Bro. Todd
